GRAND CIVIC AND MILITARY PROCE

In Philadelphia, February 22d, 1832, being the 100th Anniversary

GEORGE WASHING

The Soldier and Statesman—the Brave an

The day was ushered in on Wednesday morning with salvo's of cannon from the Arsenal in the city, and the Navy Yard, two salutes of 100 guns were discharged; and at a very early hour the public movement through the different streets of citizens and strangers of every age and both sexes gave notice of the full determination of all to share in, or witness the ceremonies prescribed for the occasion. Every circumstance of the weather was favorable to the proposed festivities—care had been taken by the proper authorities to remove as far as possible the mud from the streets through which the procession was to pass.

The [illegible] and other eminences in the city were decorated with flags, ensigns and streamers, and the [illegible] flag was unfastened from their masts to the morning sun. The public buildings in the city and [illegible] as well as many private ones, displayed flags upon the occasion, which floated gaily to the early ray.

About [illegible] o'clock, A. M. the different Trades, Fire Companies, and Military Corps, were seen organizing [illegible] respective places of rendezvous—and the busy movement of citizens with the badges of the day, and the different insignia of their craft and their official rank, was for an interesting and enlivening, while cheerful activity beamed in every face, and showed itself in the buoyancy of every step. When the different companies had been separately organized, they were marched into Third street, to take their stations in the line according to [illegible] arrangements—but as it was impossible that such immense numbers with cars, &c. could pass, to be formed into line, those that were not to be first in the order, were marched into Line, Spruce, Walnut, Chesnut, Arch street, &c. and then marshalled into the general line at their prescribed situation was opened by the passing of the procession.

The streets through which the procession was to pass were crowded at an early hour—The side walks and carriage ways were filled with gazing pedestrians, who took occasional jostlings with [illegible] good nature, as if sure that in such a dense mass, the shock which each received would of necessity be conveyed to another.

The following were the General Com[illegible]ing that authorized the celebration—W[illegible] Walter R. Johnson, Thomas M. Pe[illegible] Chew, Jr. Kenderton Smith, George [illegible] Benjamin W. Richards, Joseph R. Ing[illegible] Gilpin, William Milnor, Jr. Charles [illegible] Thomas H. Craige, James Ronaldson

At about half past ten o'clock the procession moved up Third street, preceded by

Eighteen Pioneers

One half, large athletic men, in white frock fit, decorated with blue ribbands, wearing [illegible] leather aprons, [illegible] long white beard [illegible] carrying [illegible] axes, and [illegible] three abreast, and were [illegible] of the procession.

BRICK MAKERS.

[illegible] was preceded by a large car furnished with [illegible] moulds, wheelbarrow, and other materials used in the manufacture of bricks; [illegible] and men at work in preparing the clay, making and carrying off the bricks, &c. The car was followed by another, on which was a brick kiln burning. The men were [illegible] by a numerous retinue on foot, having on white aprons, on which [illegible] painted representations of their working materials. The assemblage was upwards of two hundred and fifty, and [illegible] a very neat effect. Two extra cars in attendance—one to supply fuel, and the other to carry the [illegible] afterwards.

HAPPY HE WHO HAS FOUND WISDOM

Happy he who has found wisdom,
and the man who has acquired understanding;
for wisdom is more profitable than silver,
and the gain she brings is better than gold.
She is more precious than red coral,
and all your jewels are no match for her.
Long life is in her right hand,
in her left hand are riches and honor.
Her ways are pleasant ways
and all her paths lead to prosperity.
She is a staff of life to all who grasp her,
and those who hold her fast are safe.

IF

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or, being hated, don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream--and not make dreams your master;
If you can think--and not make thoughts your aim;
If you can meet with triumph and disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to broken,
And stoop and build 'em up with wornout tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on";

If you can talk with crowds and keep your virtue,
Or walk with kings--nor lose the common touch;
If neither foes nor loving friends can hurt you;
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run--
Yours is the Earth and everything that's in it,
And--which is more--you'll be a Man, my son!

Rudyard Kipling

You have become a star up in the sky;
Your light shines bright and reflects
From the water in my eyes.
Streams of tears flow down my face,
I remember your image;
You have left a trace.
Many feel the same as I,
Tears we wish we did not cry.
Wish that to you, my friend,
We did not have to say goodbye.

ACTIVITIES

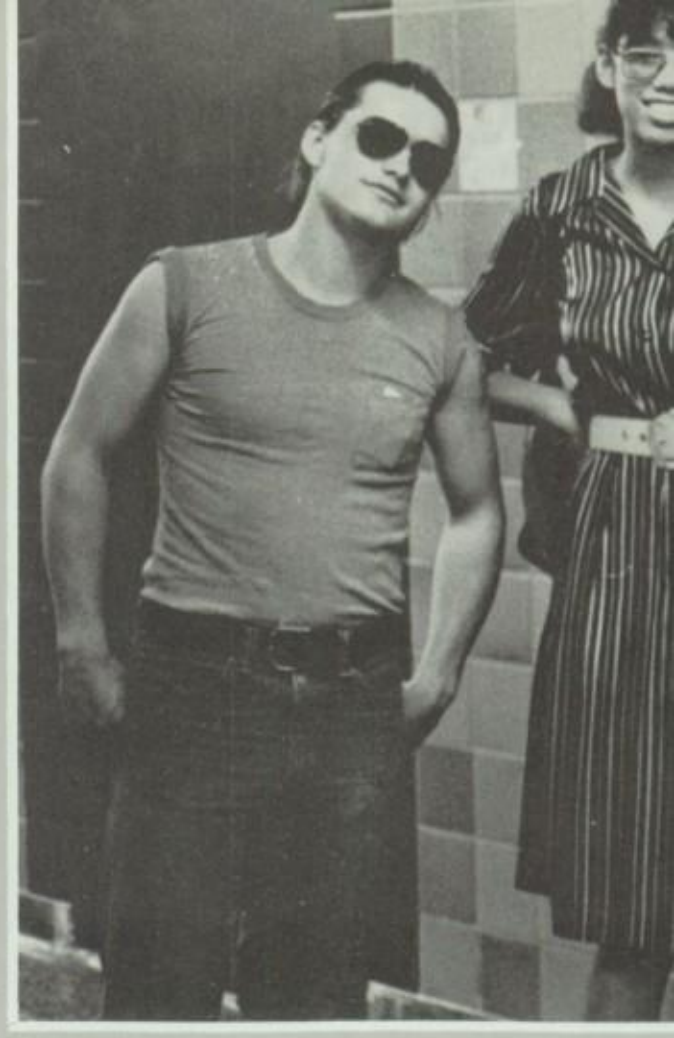
ICE CARNIVAL

The 1975 Winter Ice Carnical was held at Metro Ice Arena on March 20th. Activities and competitions between juniors and seniors included bicycle racing, chariot and canoe racing, and broom hockey. Sexton's teachers got into the competition when they played the victors of the student's broom hockey battles. The women teachers played, and defeated the senior girls in a conflict that ended with a 2-1 score. The men teachers also played the seniors, and beat them with a score of 2-1.

JUNIOR PROM

The Class of "76"'s Junior Prom was held on April 12, 1975. Held in our cafeteria, the prom was entitled "Beginnings", and featured Spring colors, as decoration. Those who attended will always remember "The Band", the wishing well, the suspended stars, and the memory of the special evening.

Kelly Hanes and Brian Dickerson.



SPIRIT WEEK

Spirit Week 1975 was held before the Sexton-Eastern football game on November 7th. Activities for Spirit Week were; Glamour Day, Fifties Day, Red-n-White Day, and Mourning Day. On Friday, there was a pep assembly in the gym. The week ended with a 20-14 football loss to Eastern.

EGG DROP

The eighth annual Egg Drop was held on October 28. Sponsored by the Physics department, more than 80 students tried to keep their eggs from breaking during a 75-foot fall from the Football stadium. Out of 80 entries only 48 eggs survived.

Various methods were used, but the most popular and efficient seemed to be marshmallows, popcorn and bread. In some instances, rubber bands were used and they also worked quite well. But the jello and ice cube idea flopped.

FALL INDUCTION — 1975

The Fall Induction of 48 new Honor Society members was held on the evening of November 6 in the school cafeteria. Outstanding scholarship, leadership, service, and character were the requirements for becoming an Honor Society member. The guest speaker was Mrs. Lawry and each new member received either a rose or a white carnation as a symbol of their acceptance in the National Honor Society.

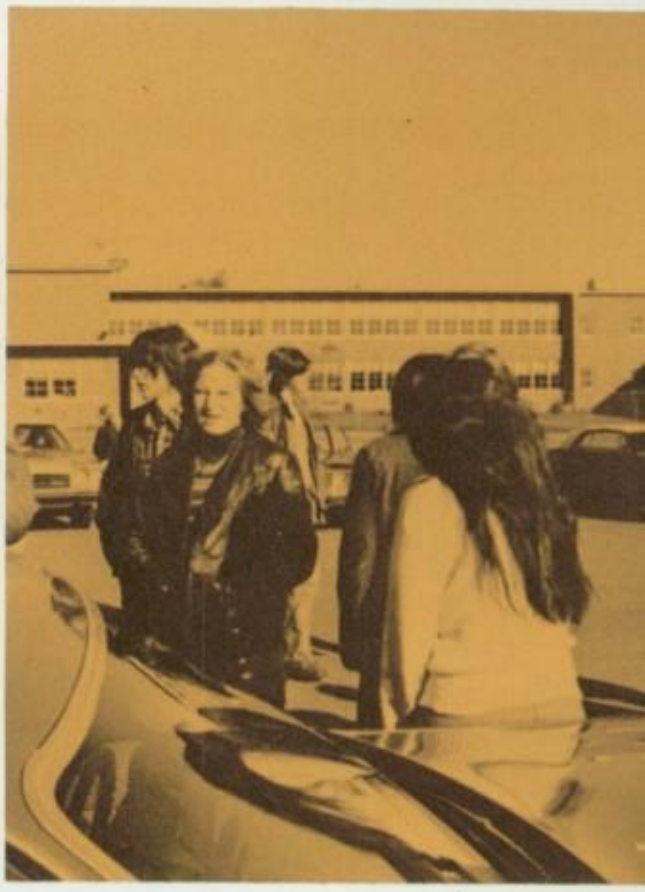
ROAD RALLY

Sexton's 1975 Physics Road Rally was held on November 15th. By completing physics problems, the participants found directions to checkpoints located throughout Clinton County. There was a tie for winning position between two cars. One car contained Chuck Carr and Steve Kuri. The other first place car was occupied by Dave Carlson, Ken Petrie, and Mike Richards.



VARSITY CLUB

This year's Varsity Club initiation was held the week of December 1. The initiation began on December 1, when the people who wanted to join had to dress up in suits or long dresses. December 2 and 3 the initiates had to wear black ties. That's when the initiation really began to get tough. The initiates had to do the duck walk, play leap frog, eat raw eggs, have syrup and ketchup mixed up, poured down their pants and shirts. December 4 was Hell night. The still remaining initiates met in the school basement to receive the big test. Then on December 5 the ones that made it dressed up again in suits or long dresses.

The value of the initiation was becoming a member into the Varsity Club and receiving a lifetime pass to all Sexton athletic events.

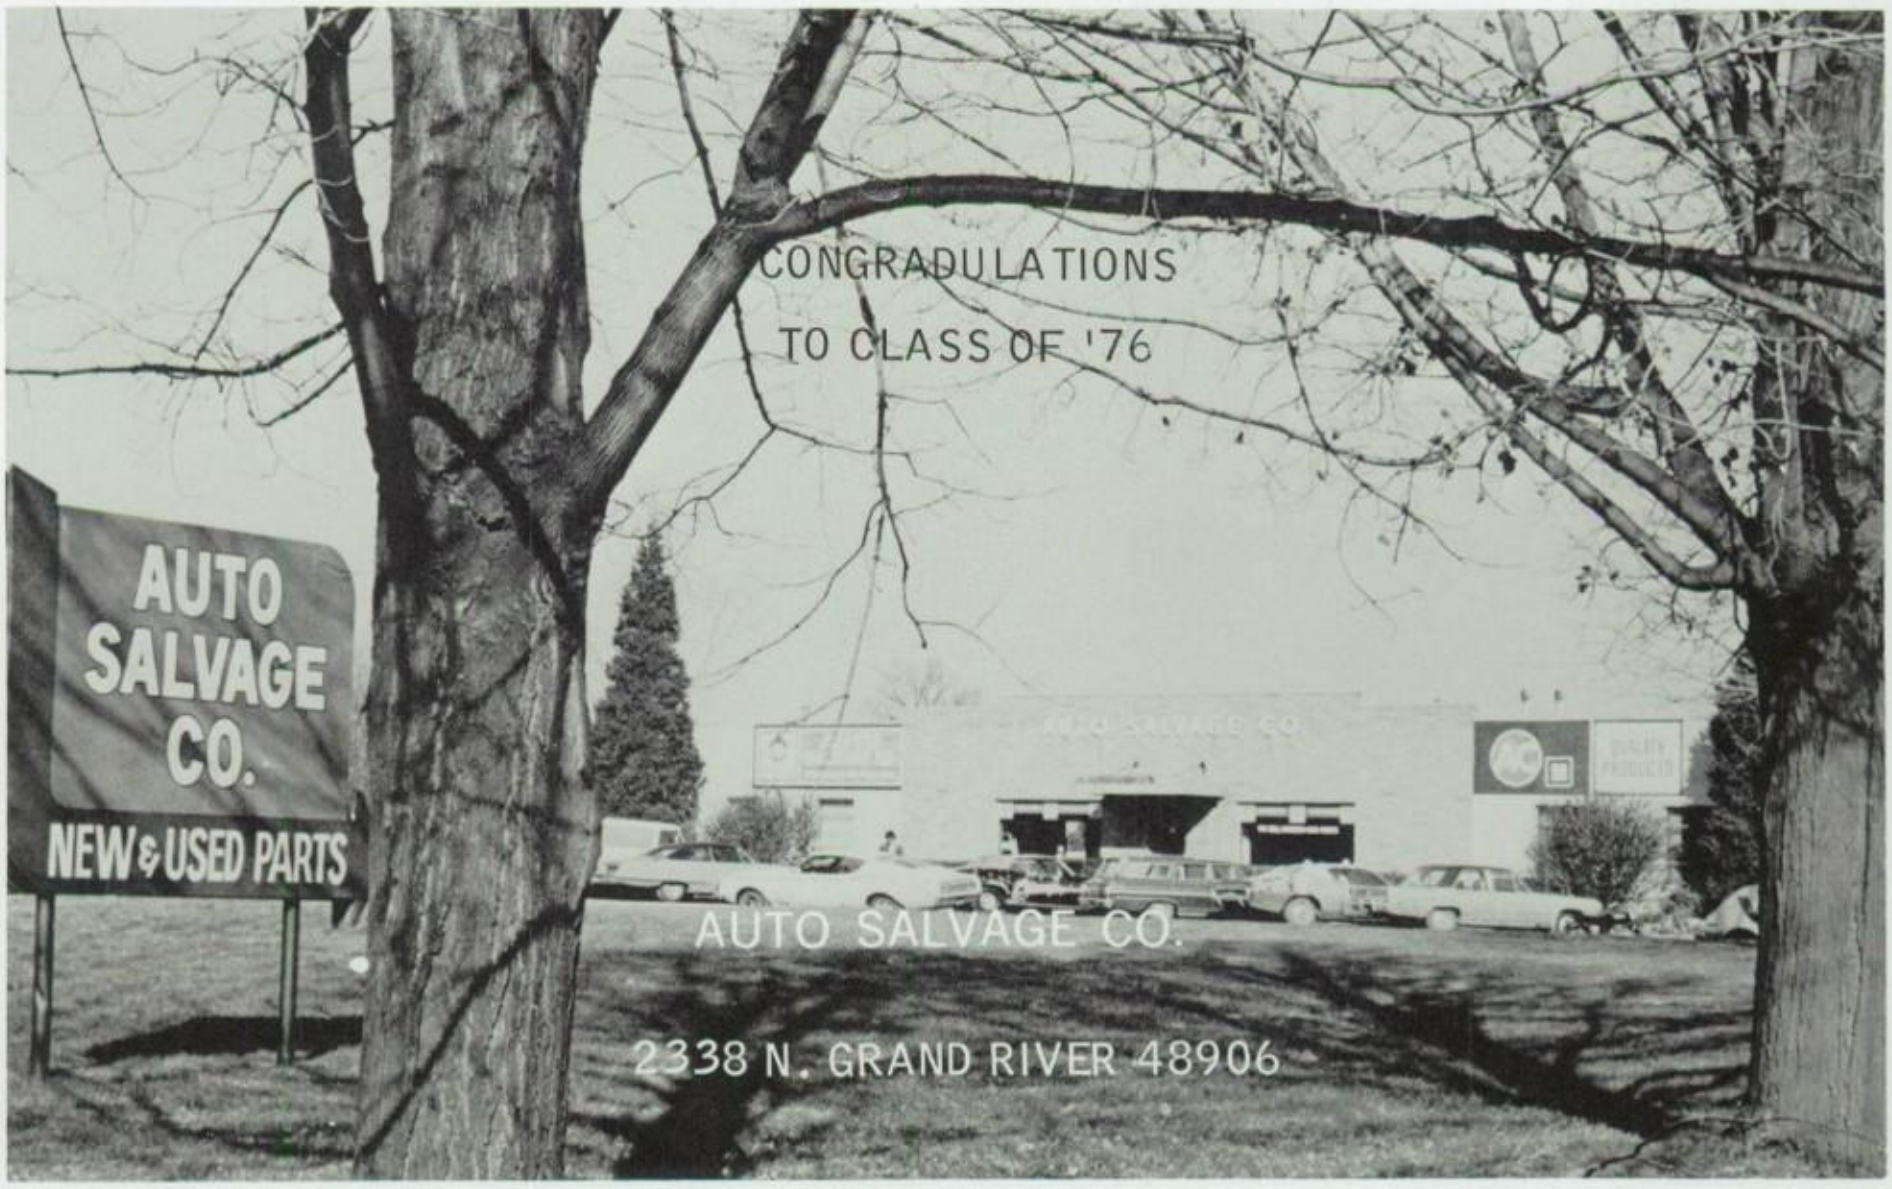
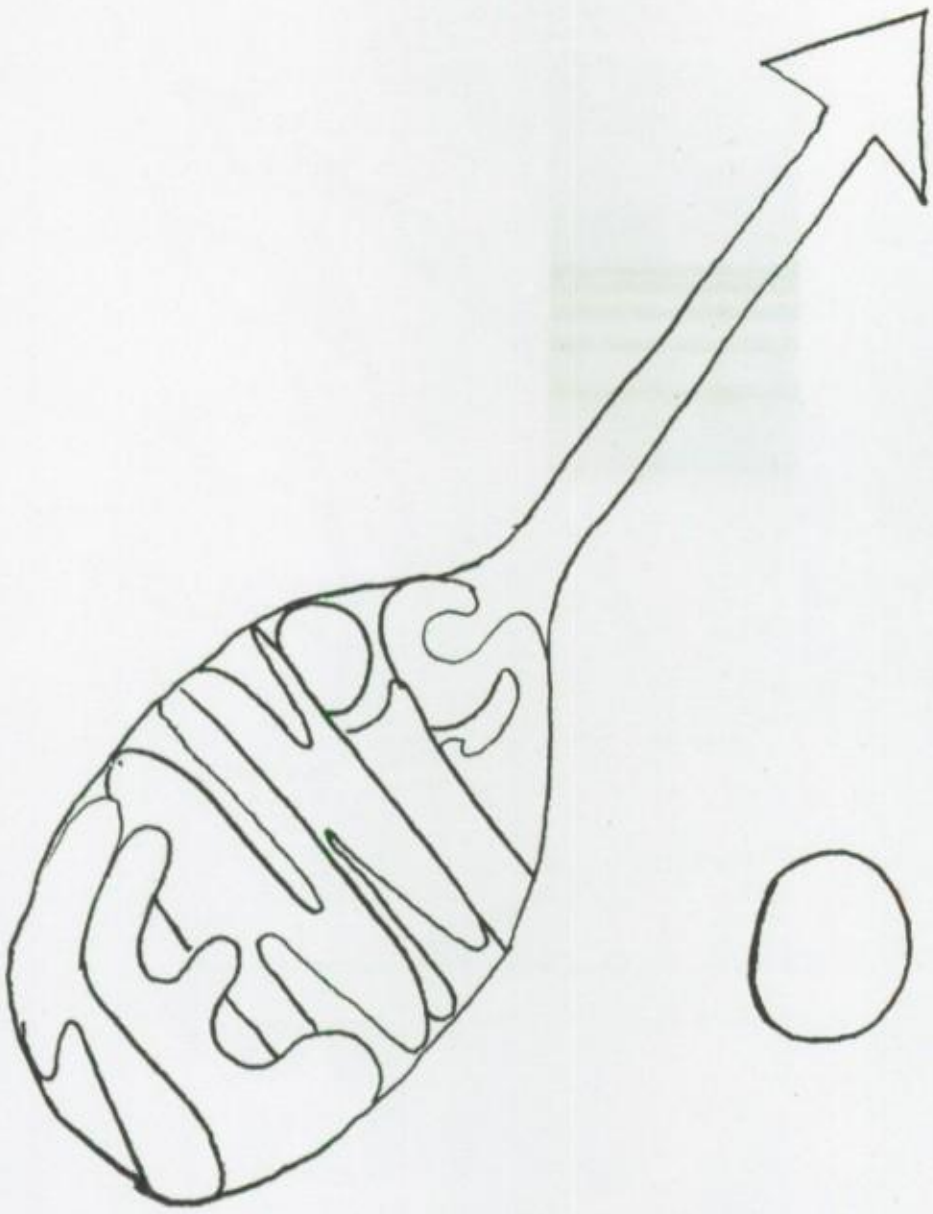
BEST WISHES CLASS OF '76.



200 YEARS OF FREEDOM
1976



The Sexton Boys Tennis team came out with a record of 10 wins and 5 losses. The Waverly Invitational had 19 wins. Sexton placed fourth in the 7A League. The tennis team placed 3rd in Regional, and won the city tournament.

Mr. Morris, coach of the tennis team, believes Sexton was a good tournament team, with an excellent group of young men. Tremendous leadership was shown from the Senior team members.

Outstanding player was Tom Olsen who was most valuable to the team, his record for the season 32-3. Mark Meyers was most improved player. Honorary team captain, Roger Price had a season record of 22-8. Another great player, Bob Grost, had a record of 20-9. The high point in the was winning the Waverly Invitational.

Right: A bit of "political-tennis" advice. Above: Mike Dunn teaming up for a Sexton v.s. Eastern clash.

First Row, Left to Right: Tom Olsen, Mike Dunn, Mike Lipscomb, Tim Hill, Tony Gaffey, Gary Tarka, Mike Thomas, Jim Chirma, Joe Rashid. Coach: Mr.Morris. Second Row, Left to Right: Mark Meyers, Jon Ciolek, Roger Price, Todd Chamberlain, Bob Grost, Tom Giannaris, Dave Watling, John Moyer. Not Pictured: John O'Leary, John Maddalena, Dave Melville, Roger Deyoung.

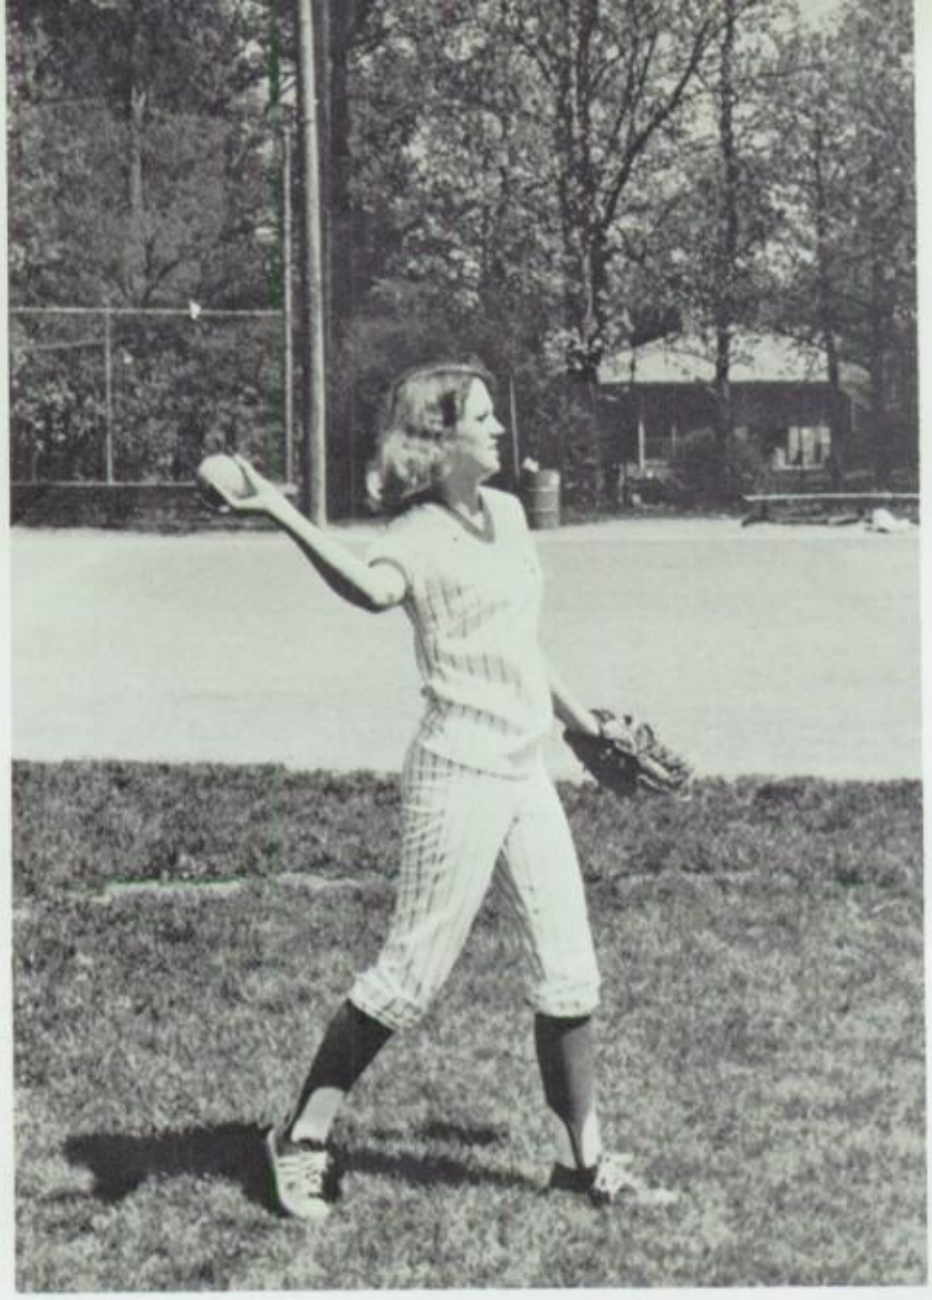
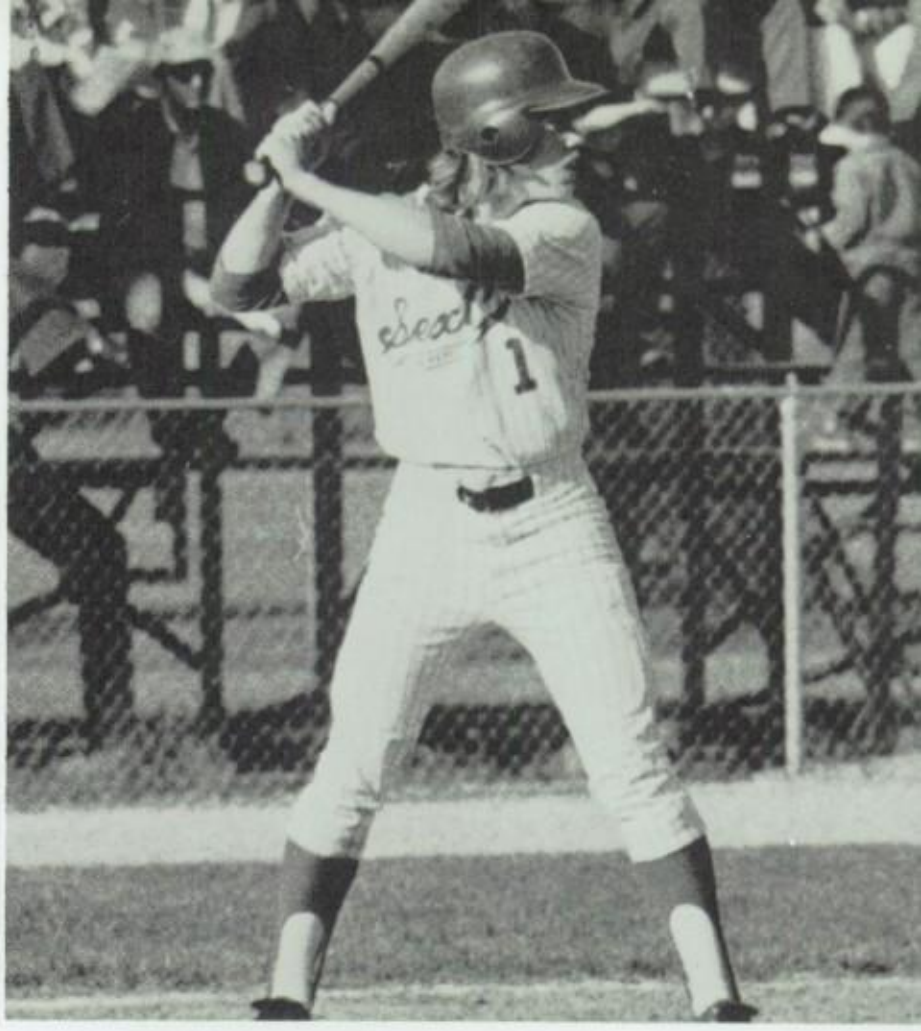
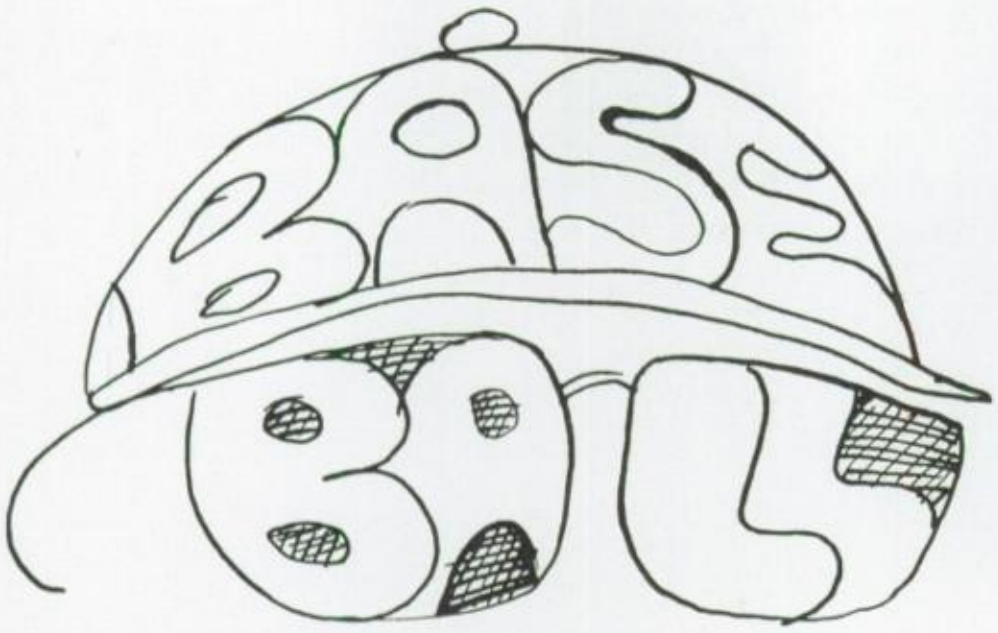
Front Row: Sue Sanders, Jan Rogers, Cheryl Hayes, Sandy Hall, Sandy Hall, Sandy Hall



Although the girls softball team had an unbearably tough season they did show tremendous effort. They ended their season with a 2-6 record. The outstanding players were Sharon Champion, Cindy Gaffey, and Joan Barrons. Although the team had a bad season they do hope to do better next year with most of the starting players returning. Good Luck Girls!

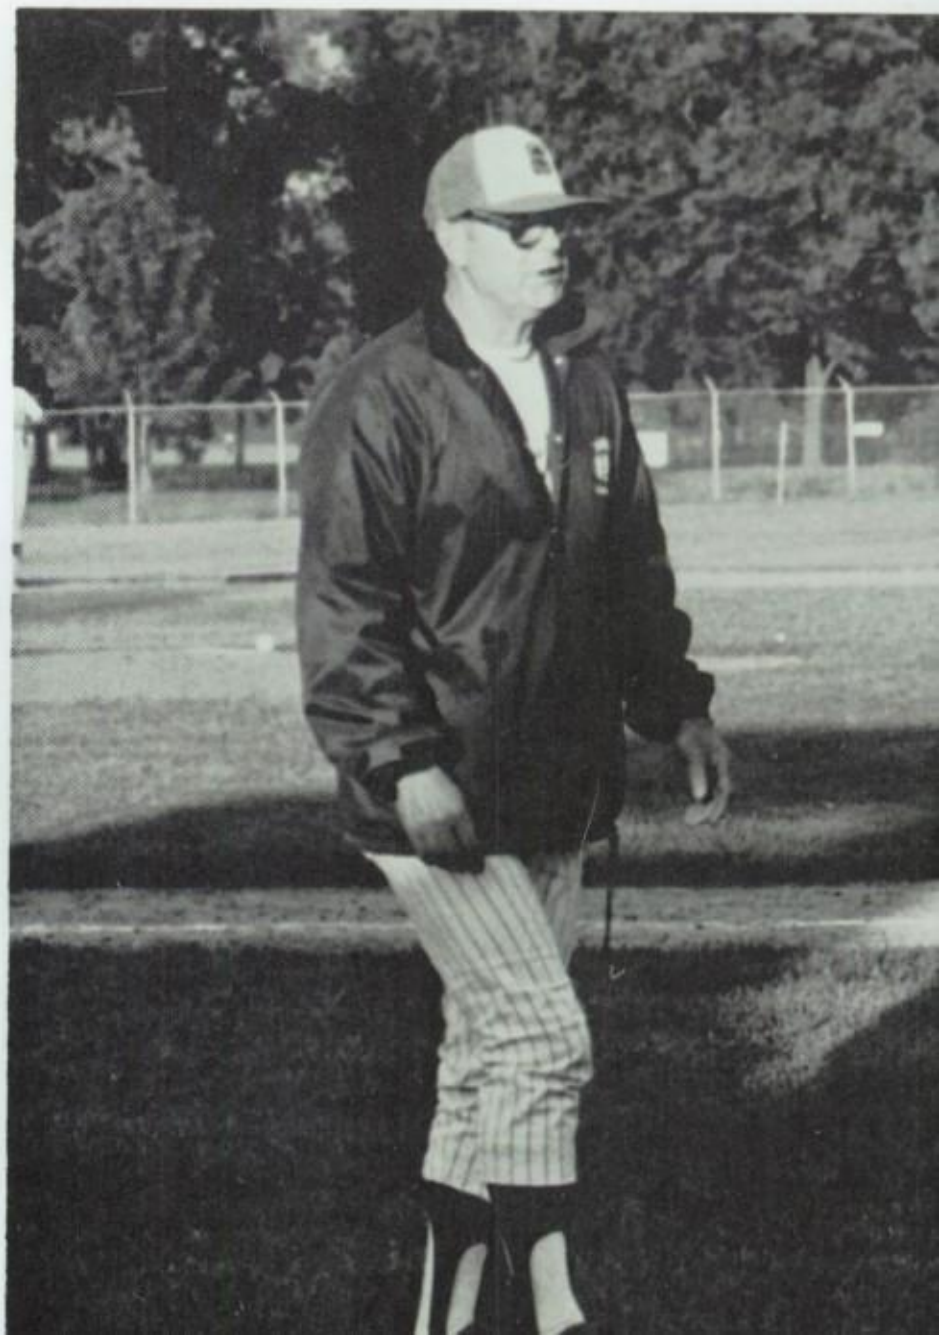
Above: Debbie Devlin gets ready to make the throw. Below Left: Sharon Champion throws the ball home. Below Right: Karen Dedow- "Boy that sun is bright."

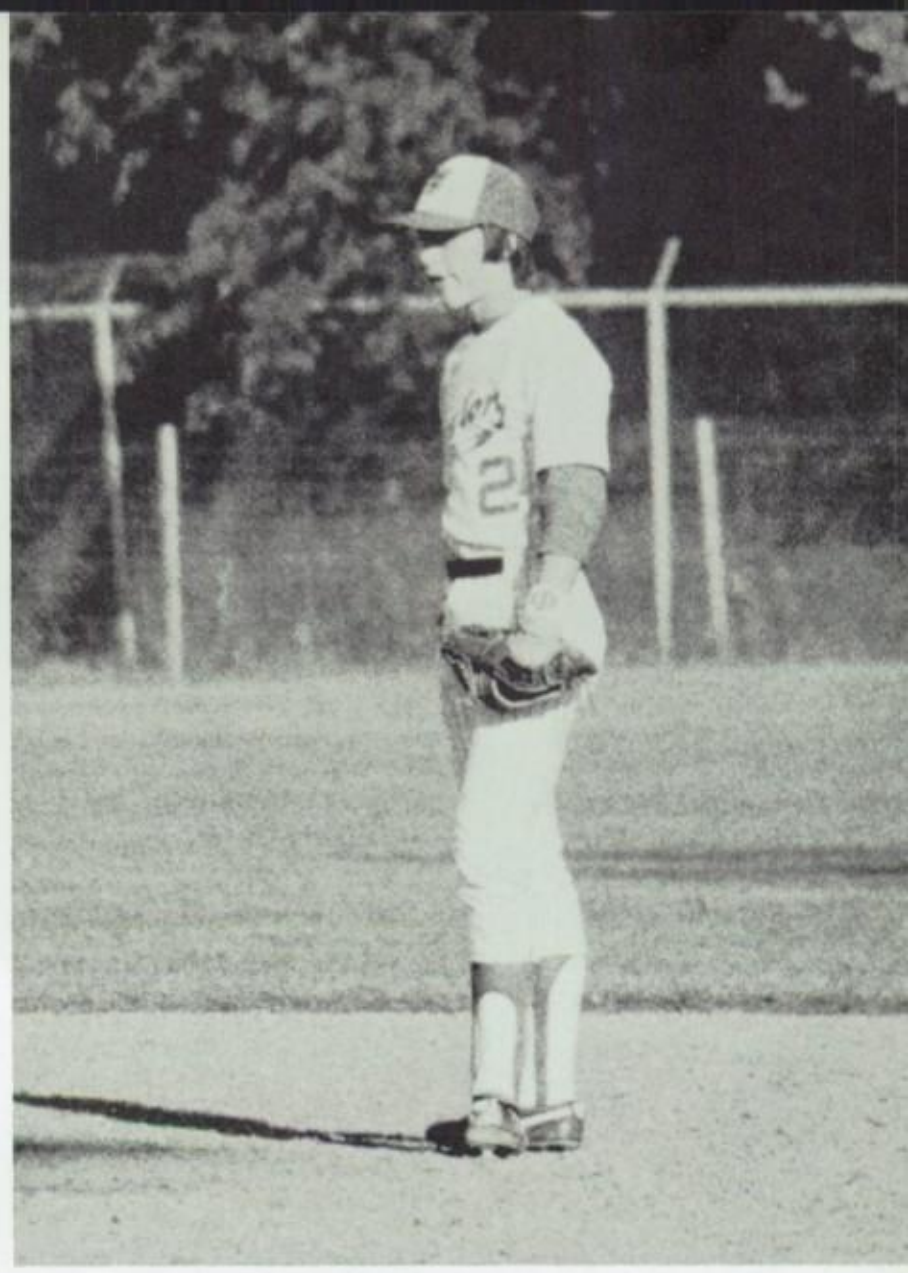


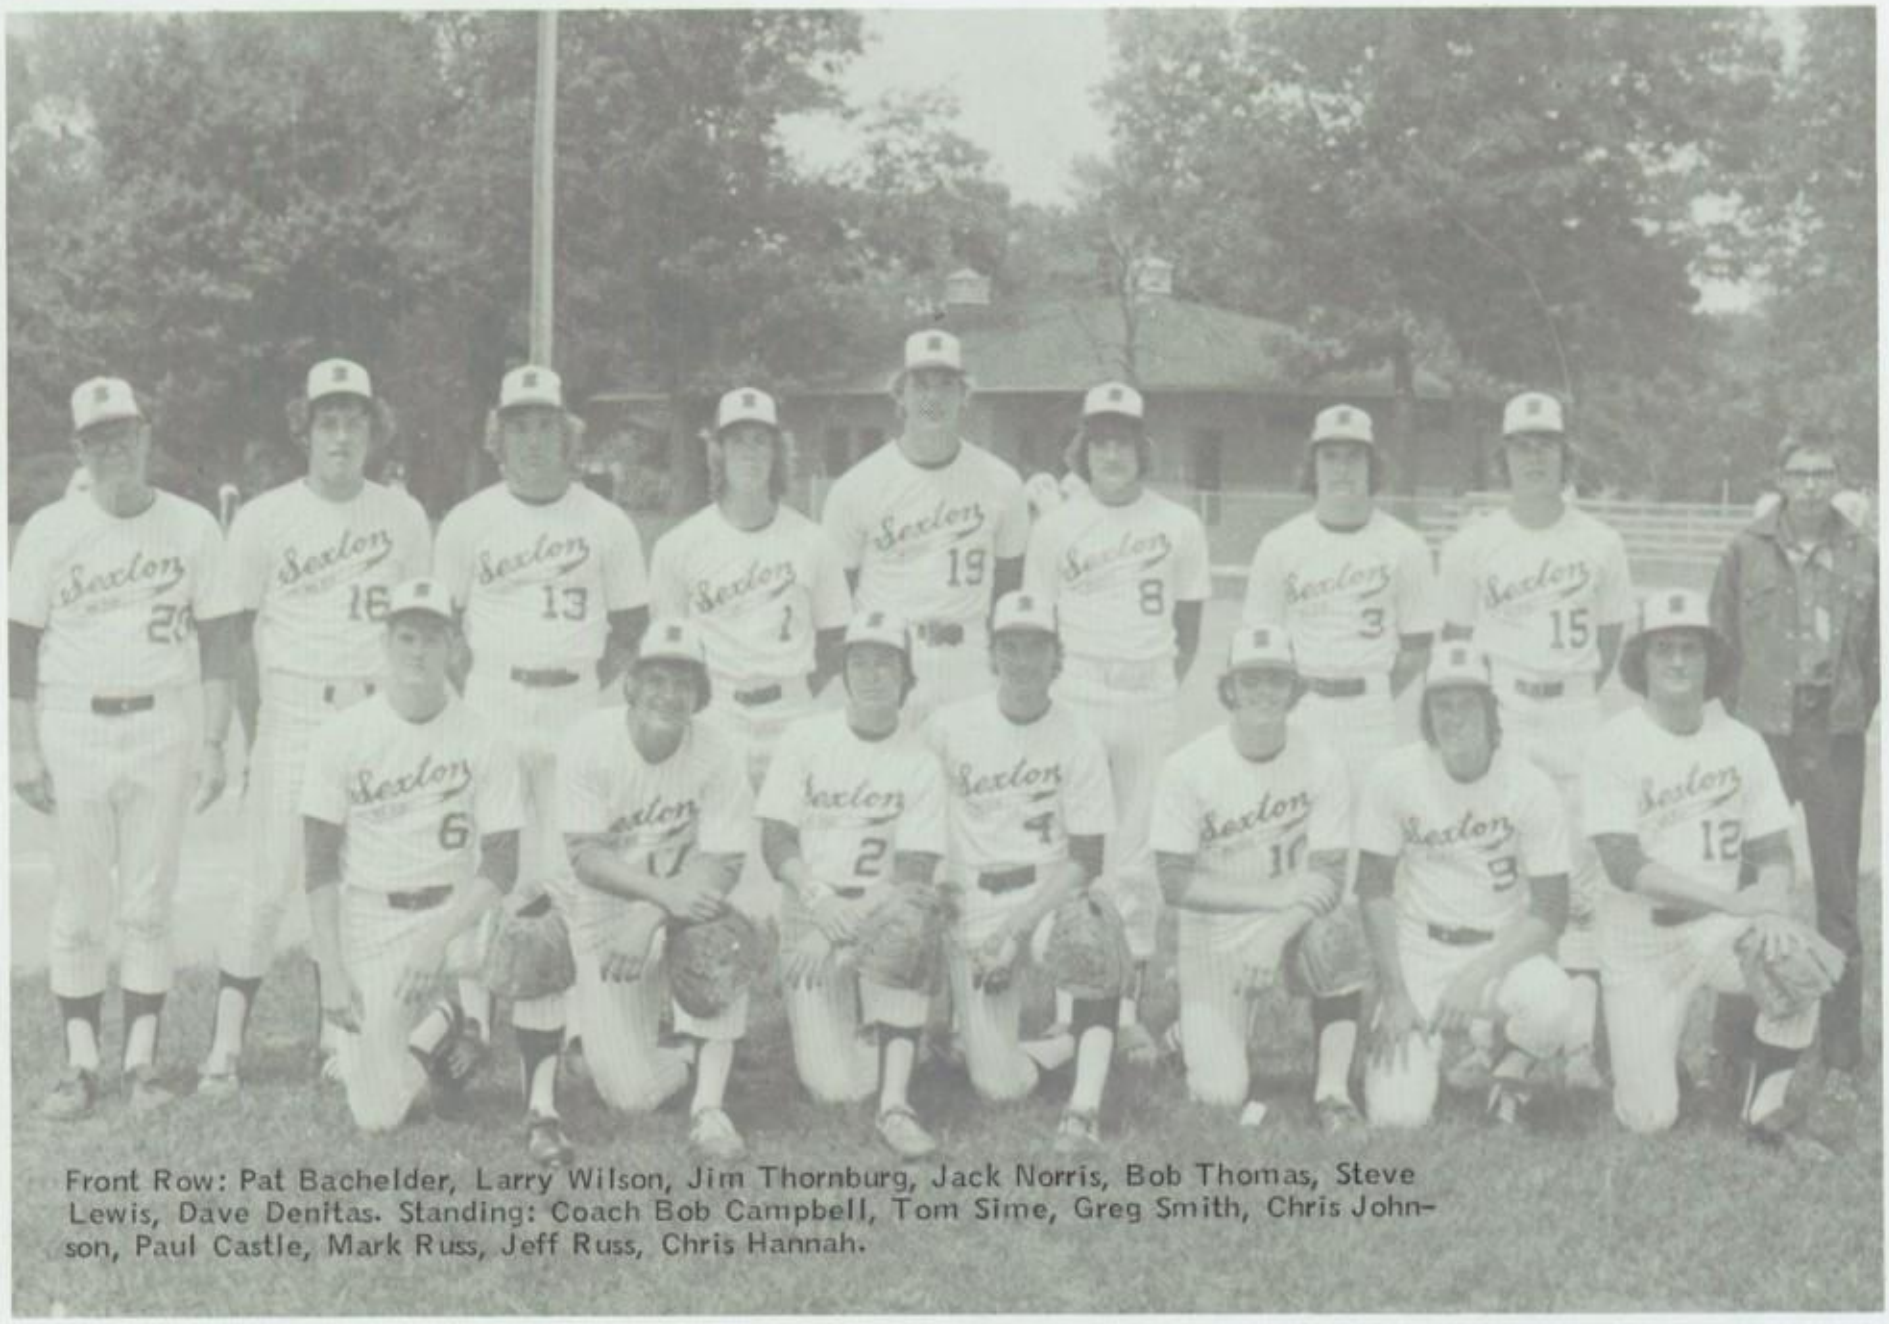


Coach Bob Campbell, felt the team had a fine season. Although the team was a young one, being hampered by a young team's mistakes, many of these players proved to be a credit to the team. Junior pitcher Steve Lewis, won all of the teams ball games, and Mr. Campbell is very high on his returning this season. The infield is returning this year, which consisted of all underclassmen last season. With the new Capitol Area Conference, our own baseball stadium, and many returning lettermen, Mr. Campbell is looking forward to this season hoping to produce a winning team. In order to do this, Mr. Campbell feels he will need a strong nucleus of pitchers, and he is also looking for some talented outfielders. So get out and support your baseball team, and GOOD LUCK CAMPS!

Below Left-Second baseman Jim Thornburg, ready to attack Above-The Big Reds short stop and RBI King Chris Johnson, about to do his thing. Below-"Boss" of the Big Reds, "CAMPS". Right-Mark Russ, ready to go. Far Right-This play seems to bore second baseman Jim Thornburg.



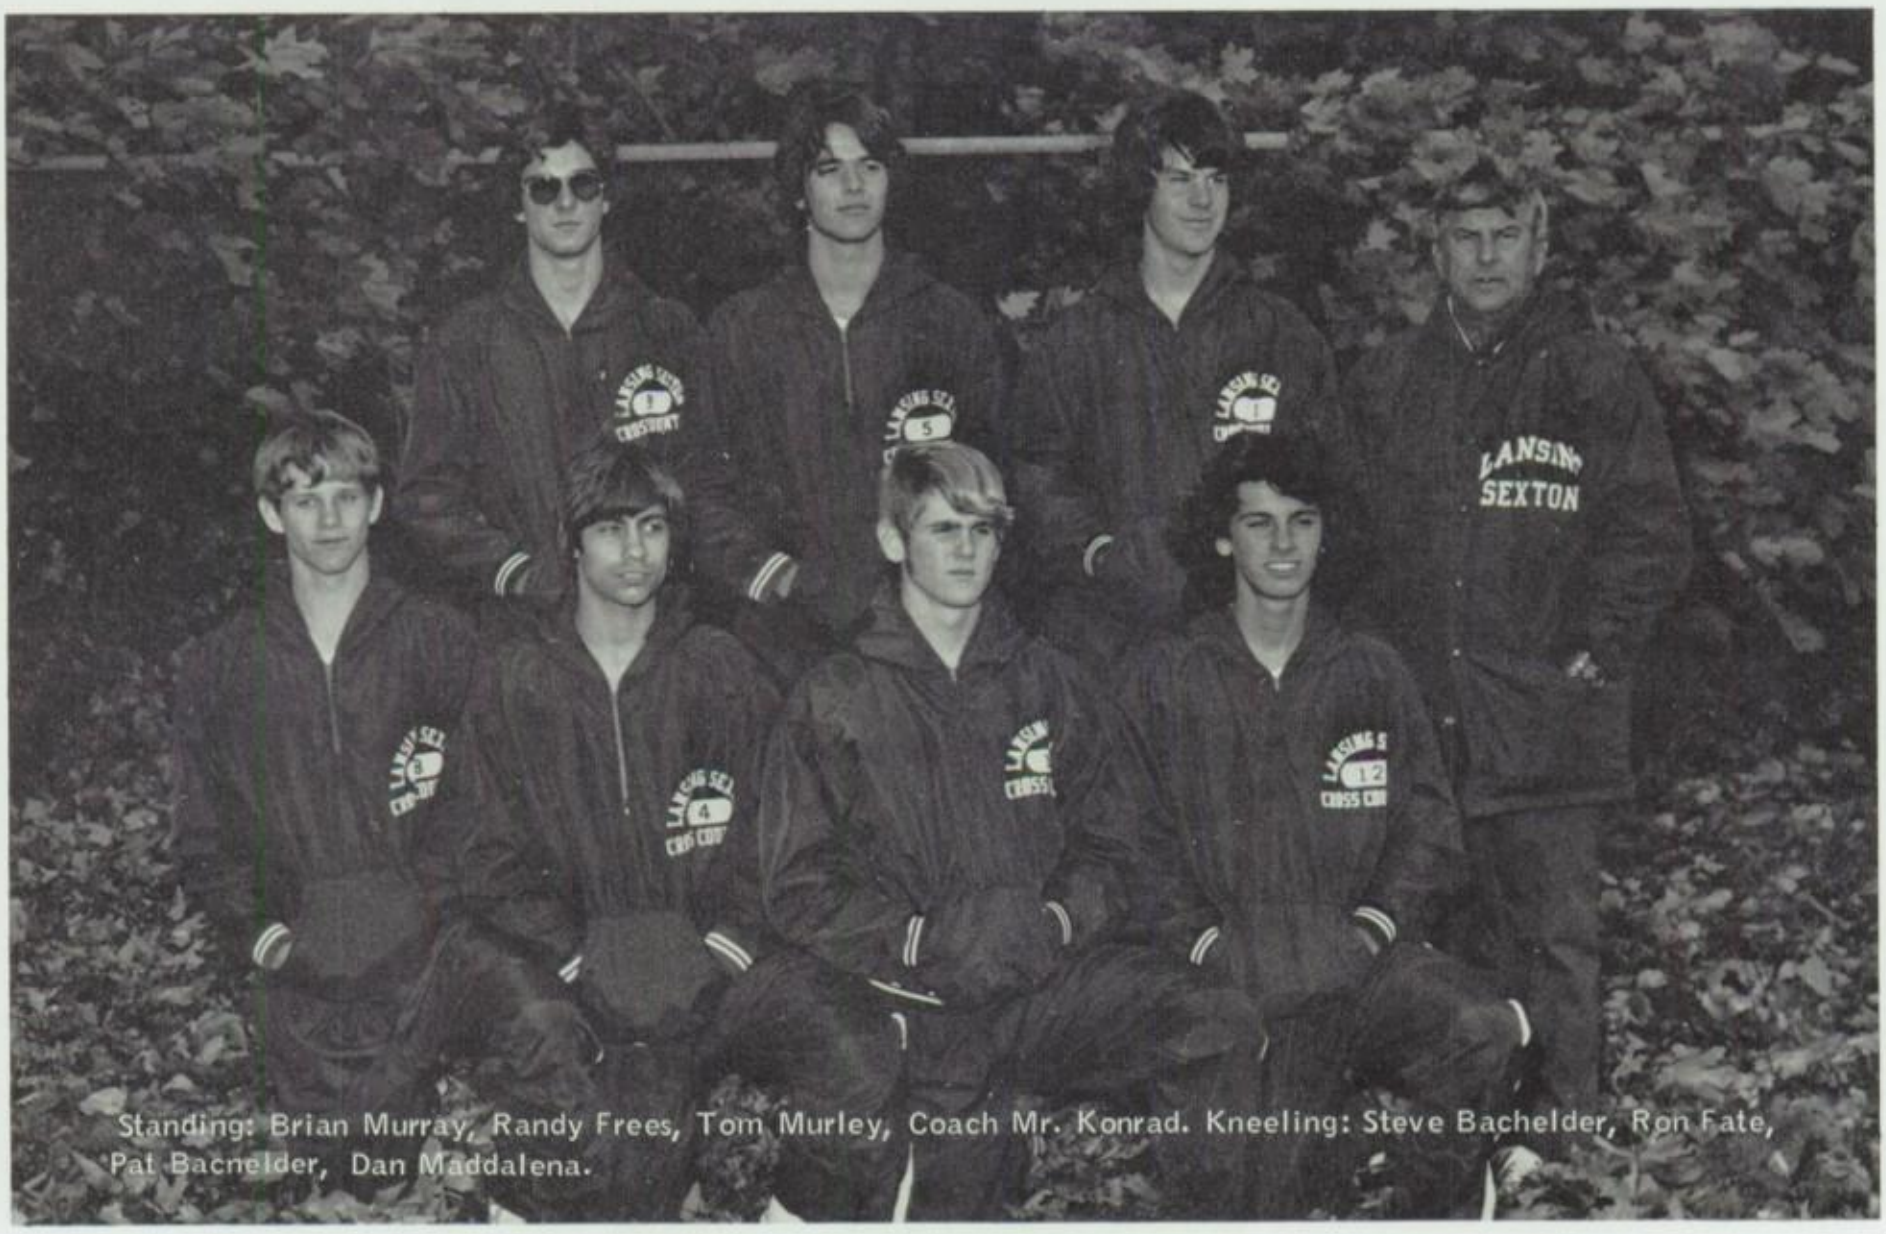




Front Row: Pat Bachelder, Larry Wilson, Jim Thornburg, Jack Norris, Bob Thomas, Steve Lewis, Dave Denitas. Standing: Coach Bob Campbell, Tom Sime, Greg Smith, Chris Johnson, Paul Castle, Mark Russ, Jeff Russ, Chris Hannah.

X-Country

Mr. Konrad, coach of the X-Country team, felt the team had a good season considering he only had two returning lettermen. Mr. Konrad is very excited about next year's season because of a Junior, and four outstanding Sophomores who are returning. These five men are Junior, Tom Murley, Sophomores, Brian Murray, Ron Fate and Dan Maddalena. Mr. Konrad feels these men work well together, and are willing to learn. With this idea in mind I'm sure the team can change a 2-7 record into a 7-2 or even better. Good luck team and coach Konrad.



Standing: Brian Murray, Randy Frees, Tom Murley, Coach Mr. Konrad. Kneeling: Steve Bachelder, Ron Fate, Pat Bachelder, Dan Maddalena.

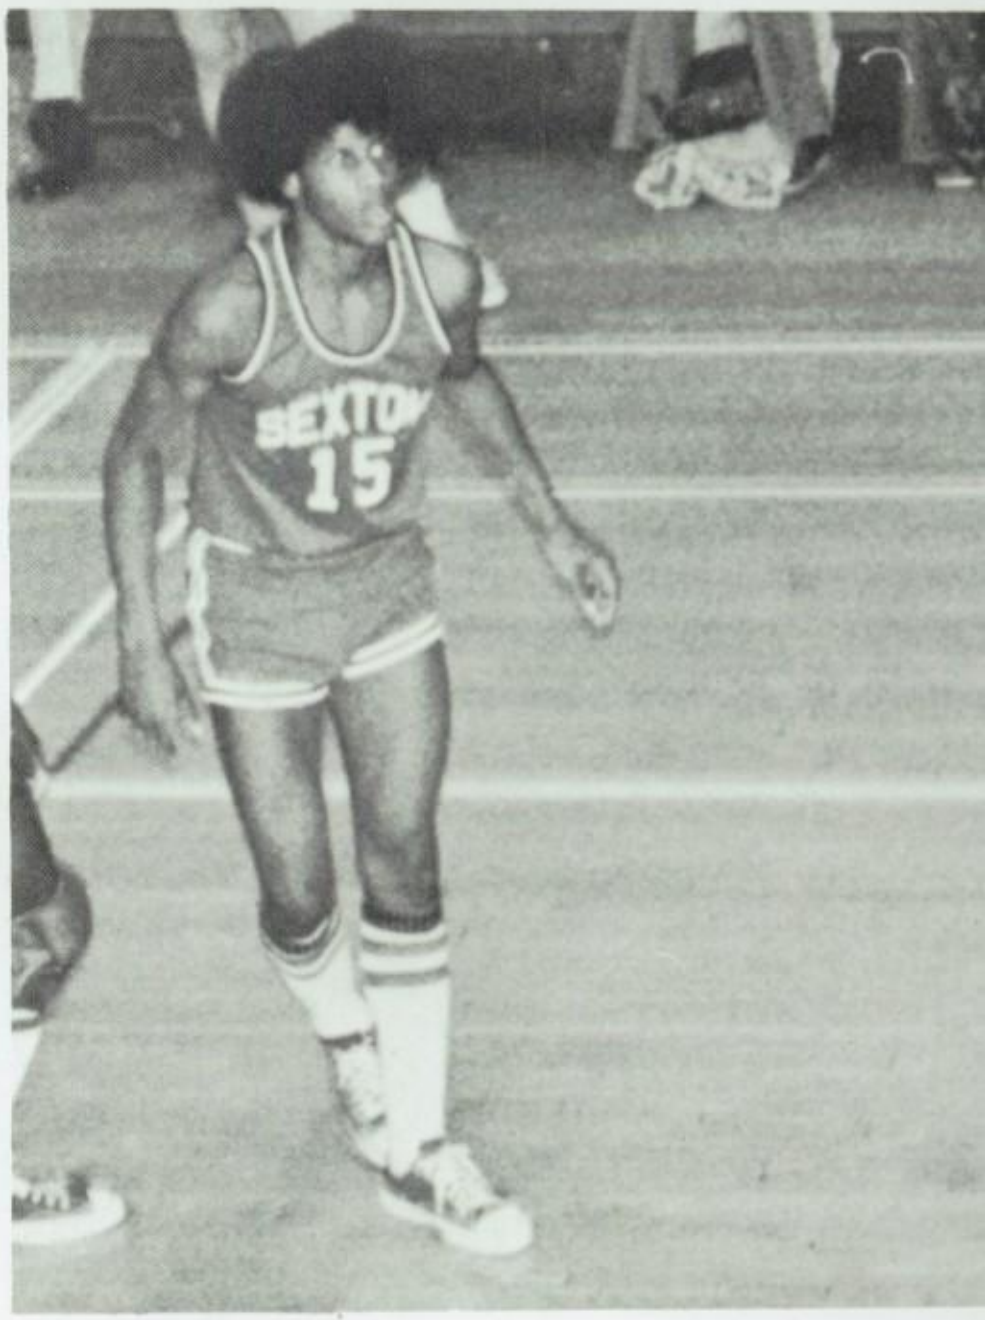
Above: Dave Porter displays his "Sky Hook".



The Big Reds had probably one of the toughest schedules this year in the state. Despite the great opposition they came out with a respectable season. Mr. Herner is very proud of his team, and commented on their great effort in the face of teams who were mostly league champs.

Mr. Herner had much praise for his team members: Arvis Rhodes, demonstrating the best shooting, Scot Parker, the leading rebounder, Larry Scott, best defensive player, Dave Porter, best guard, and Dean Lathon, who came back after missing the first part of the season to become a big asset to the team.

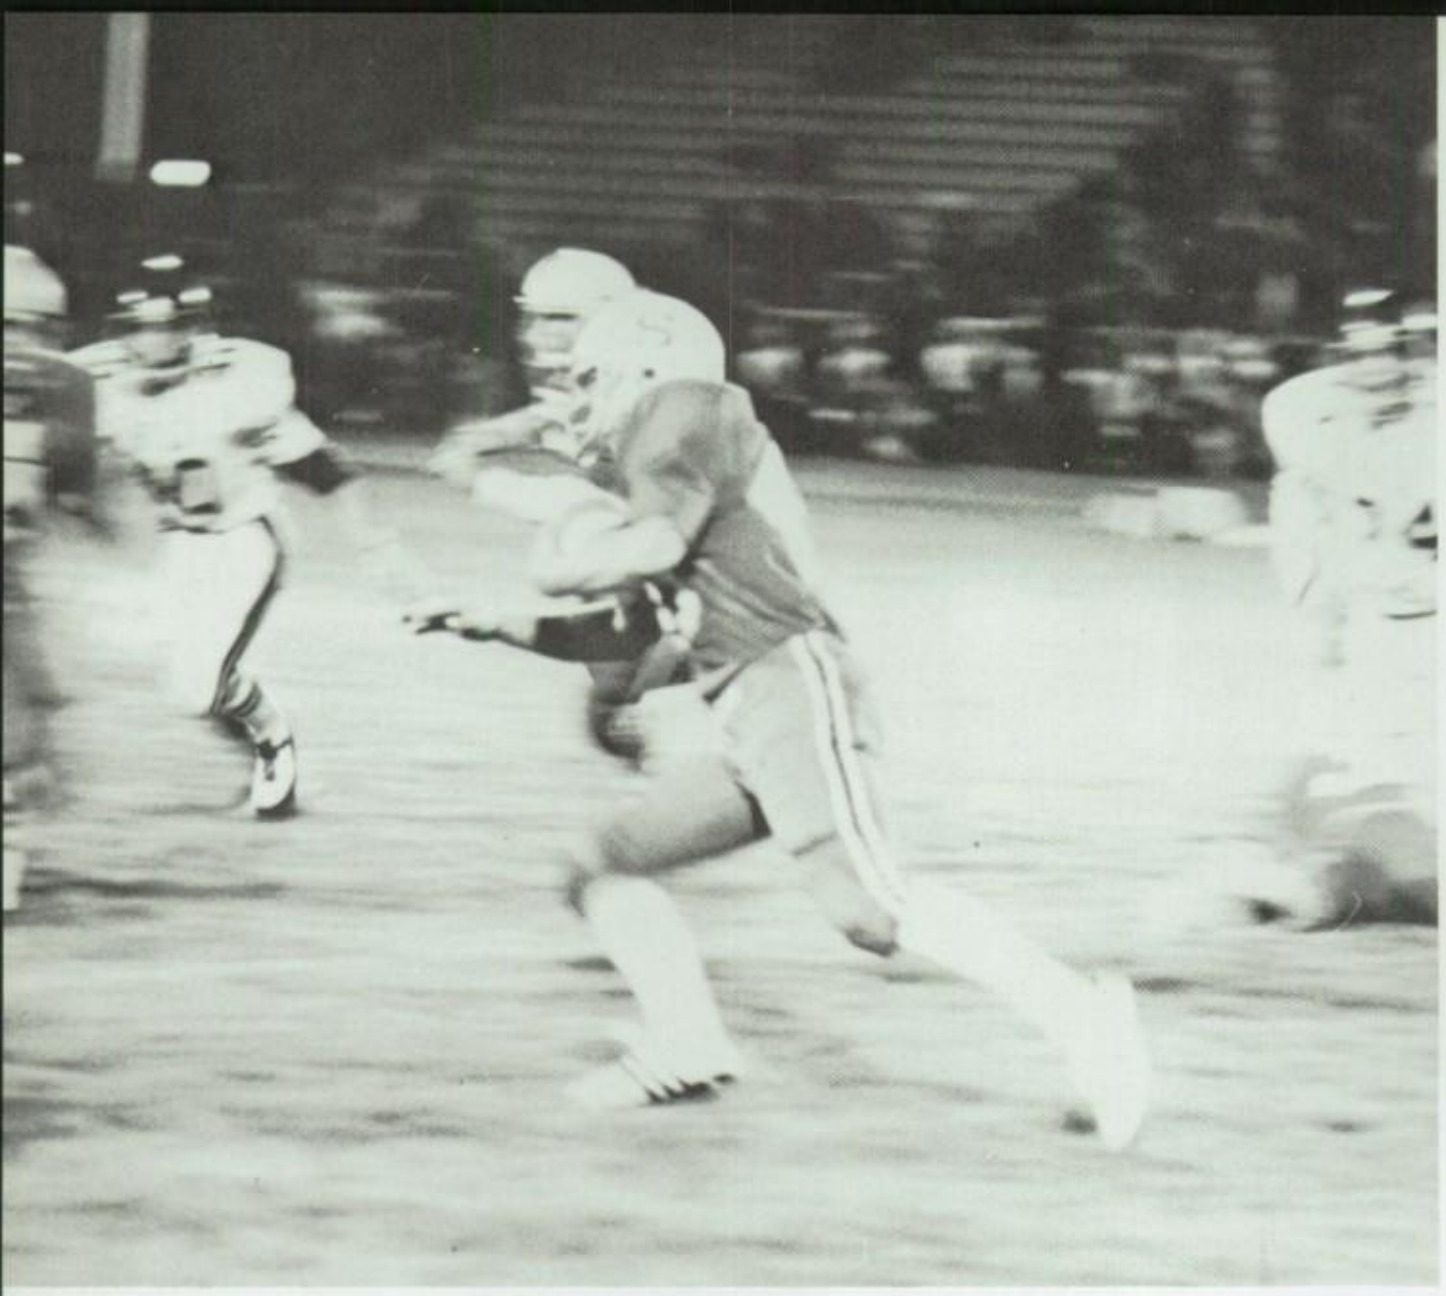
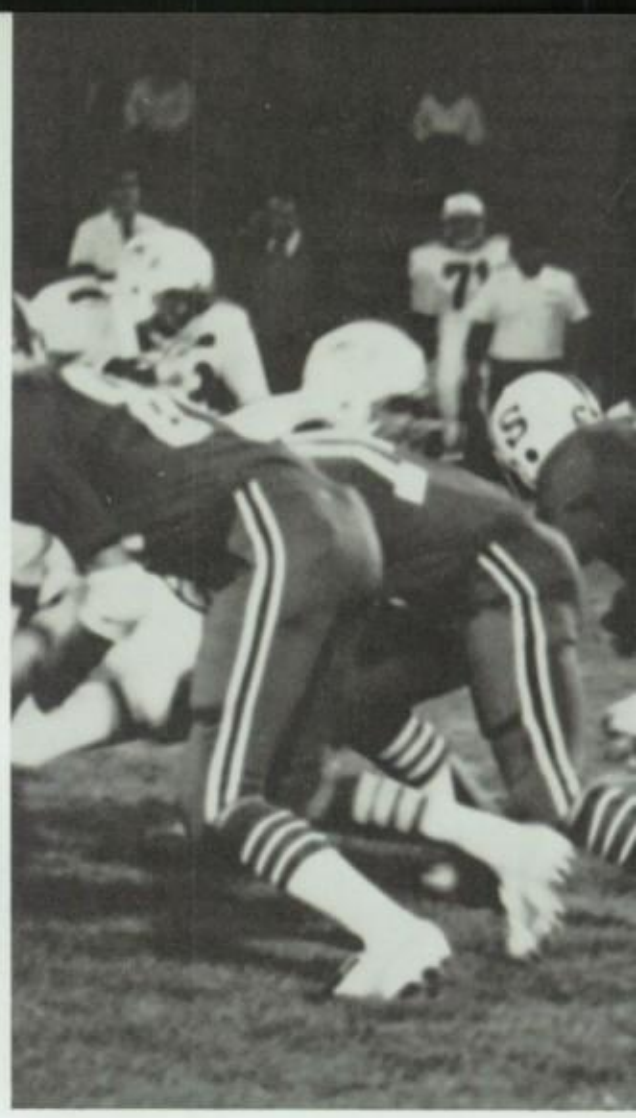
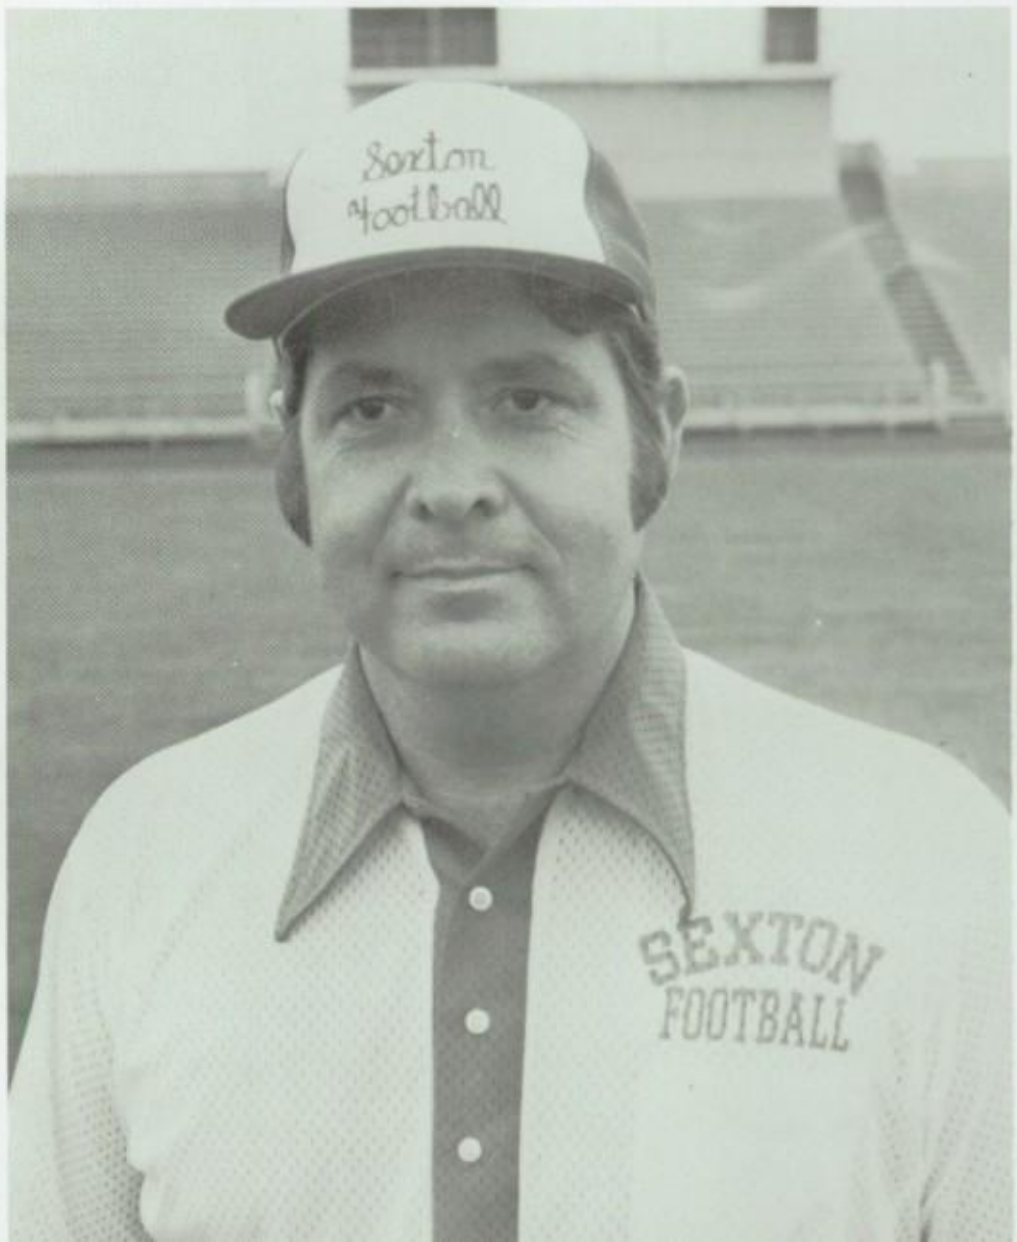
When friday night rolls around, the Sexton Big Reds don't just put on their equipment and go out to play a game. There's more to it than that. It starts in the summer for practice; (2-A-Days.) long, grueling hours of work, concentration, pain, and more work. That's only half, it continues all season, learning plays, picking apart defences on films. A total commitment to the team, and a winning season. They did a good job.

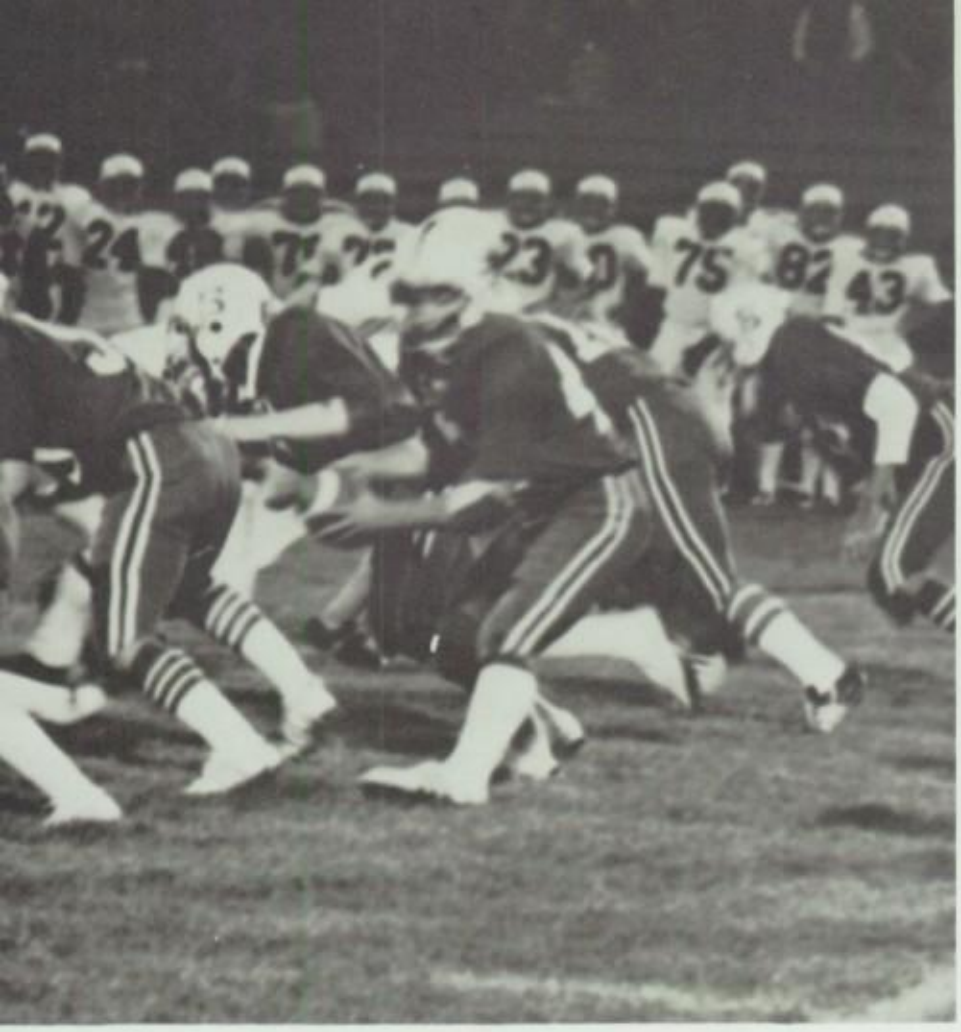


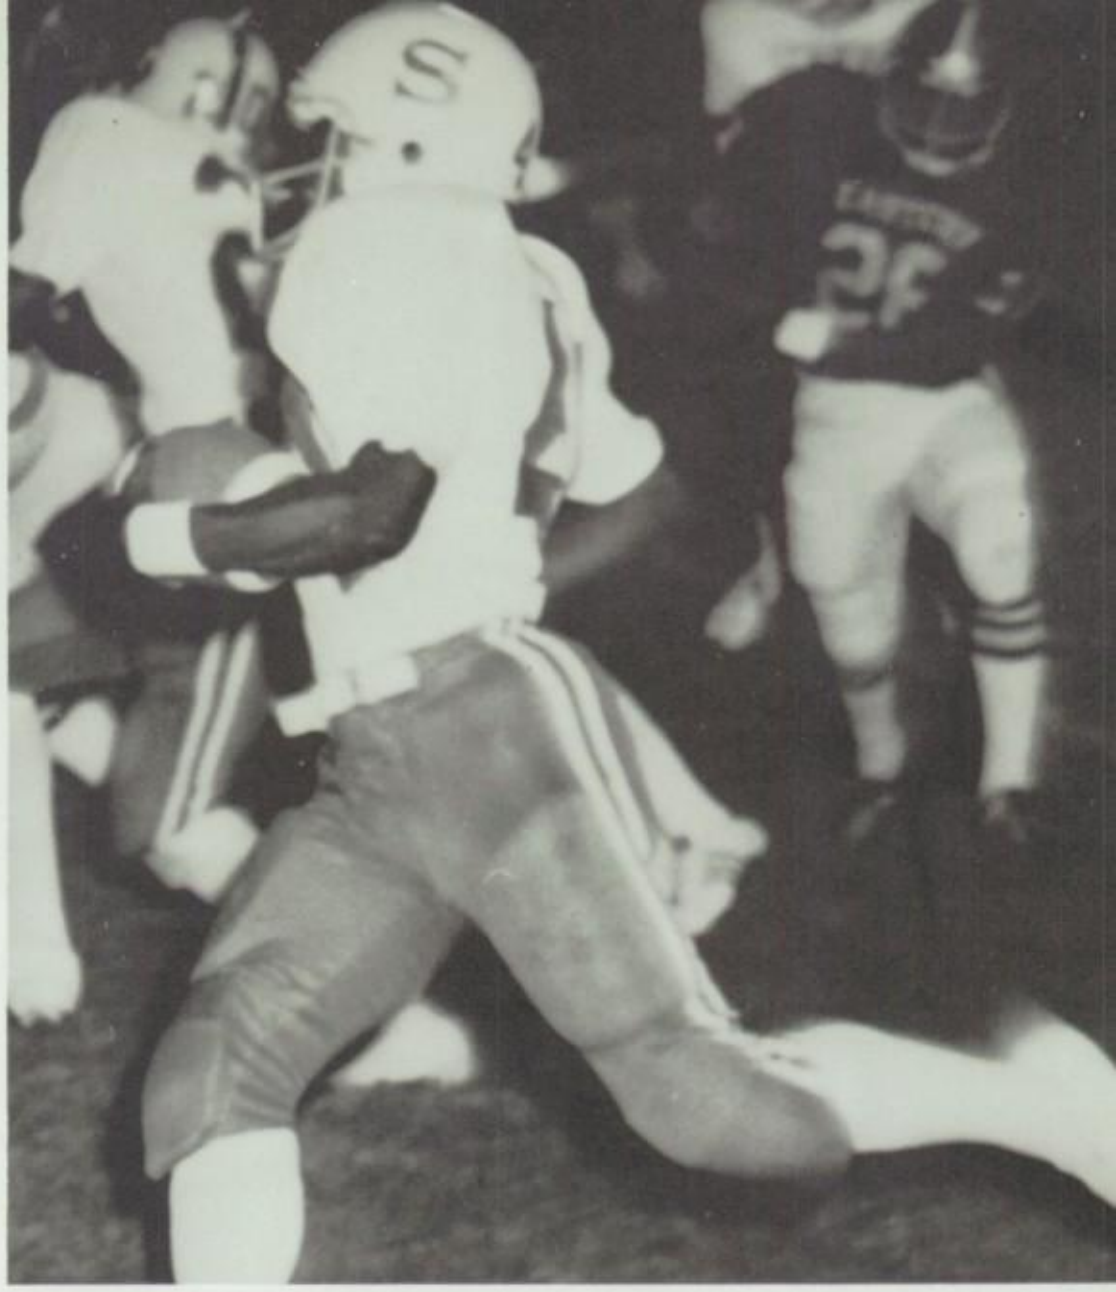


Above: The offensive line takes off. Below: Mr. Nixon. (what's he thinking?)

Above: Greg Smith breaks through the line against the Holt Rams. Below: Al Travis about to bowl over an Eastern player.







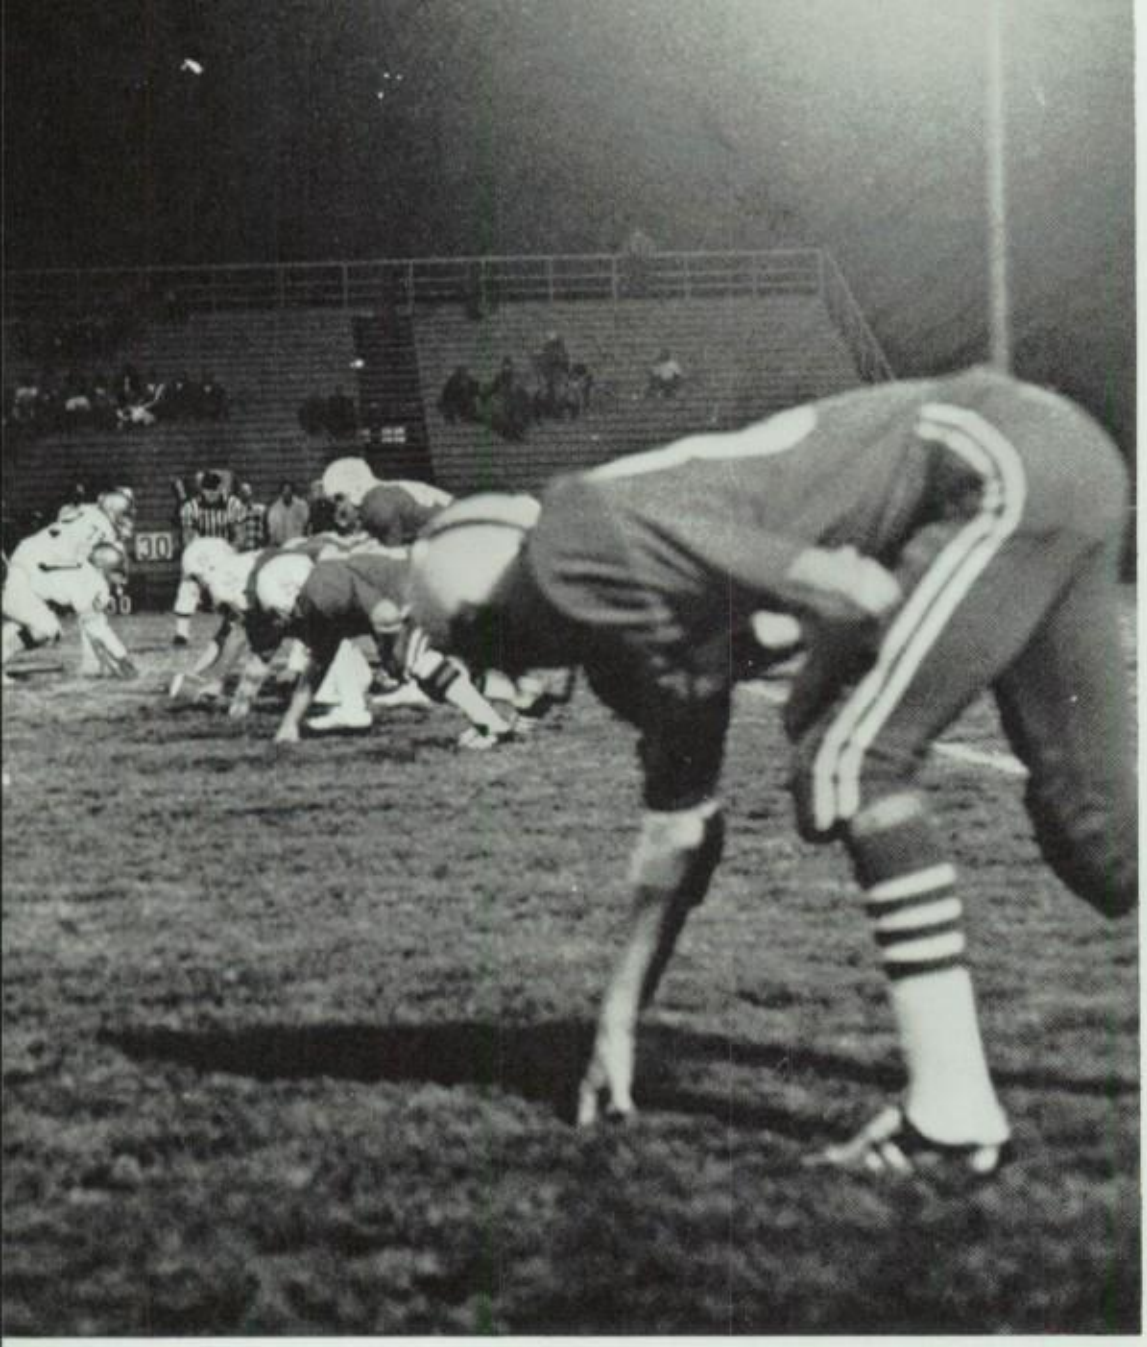
Above Right: Tony Rogers leaves 'em behind. Below Right: Don Siwek takes a breather.

"We are very proud of our 1975-76 football team, in this, our first year of the Capital Area Conference. While our goal of a CAC championship was not attained, our team WORKED, THOUGHT, and PERFORMED like champions!"

"We will be losing a fine group of seniors this year, that possess qualities of pride, fine leadership, and above all, character. They worked together for the good of the team and will be greatly missed next year.

"Our returning team members will have their work cut out for them. There will be many positions vacated by seniors to be filled. Many of the underclassmen possess those same winning attitude and a full team effort to prove themselves next year."

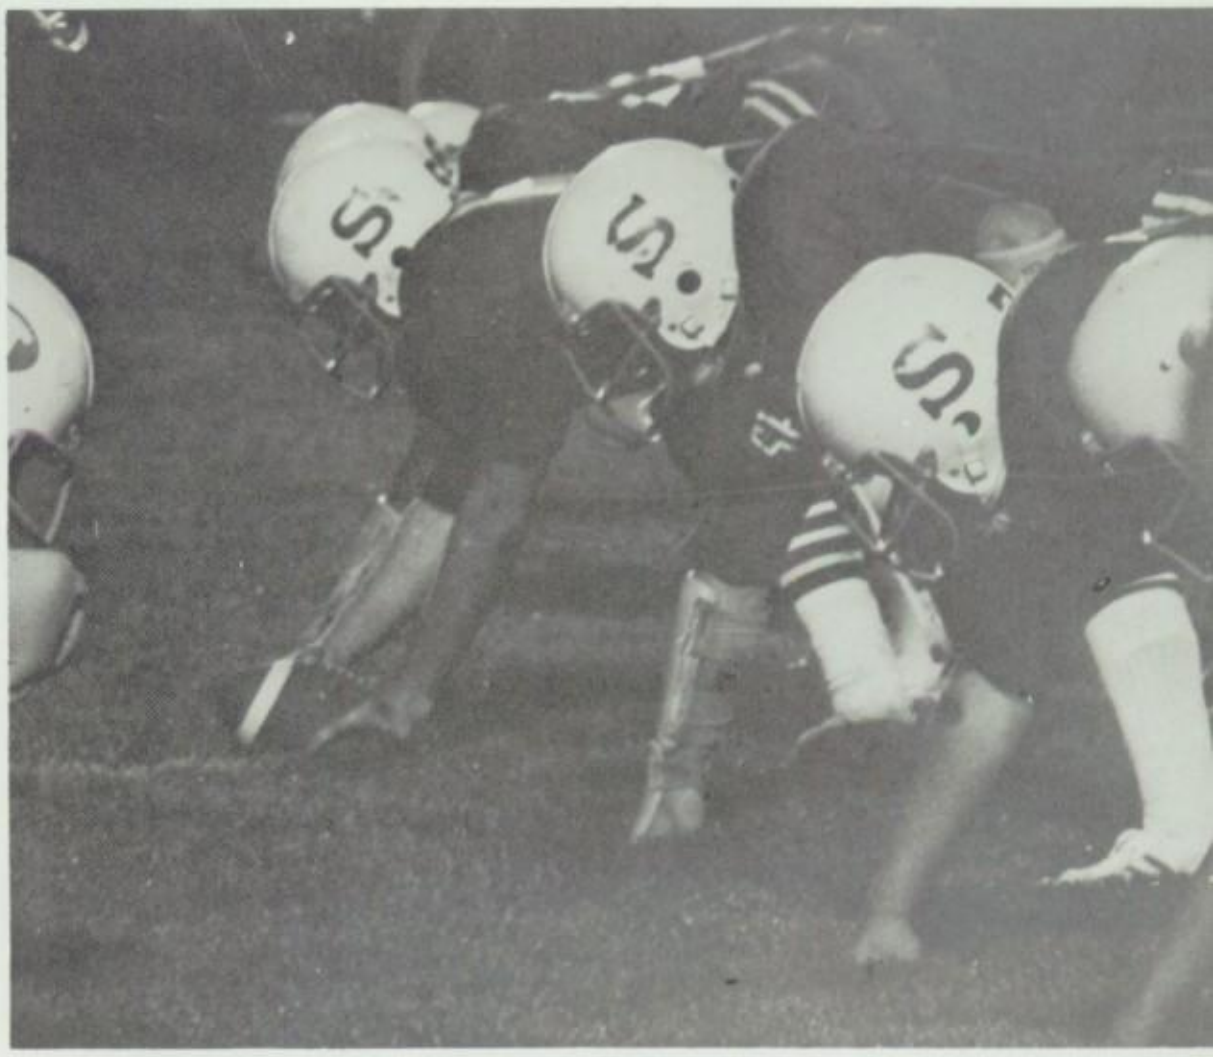
Ted Nixon

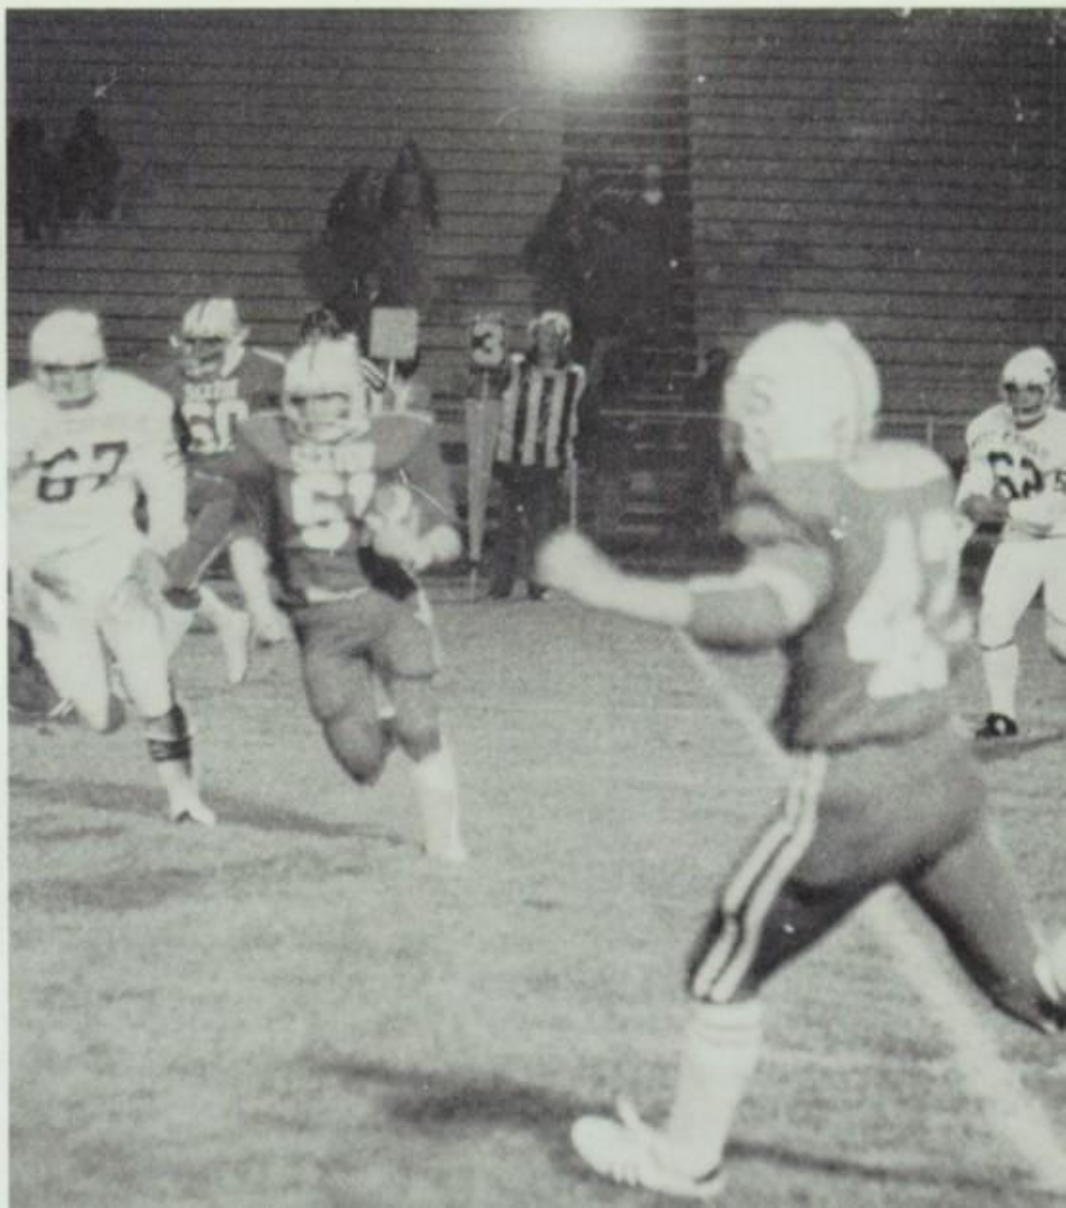


Above: Scott Parker "our lonesome end." Above Right: Mike Dunn, Stan Larkins, Chris Johnson. Right: Tony Rogers "takes it on the lamb!"

It takes a special breed of person to play football. If your a running back you have to be fast, able to pop back after getting hit and keep going, and have a nose for picking out holes in the defense. To play defense you have to want to hit, you have to be observant. And have an instinct to where the play is going. To be a reciever it takes good hands, speed, and concentration on the ball, instead of a blind side tackle. A Defensive back must be a little suicidal and very tough, because most of his tackles are made at high speeds. On the line, no names are made and no glory is reaped. You just live nose to nose in the "Pit" and match your guile, muscle and threshold of pain day after day. These are common Characteristics of what it takes, but mostly it takes hard work, pain, and desire.

Clockwise: Al Travis goes up for the pass. the LINE. (Nobody knows them, but the guys they block for.) Paul Baryames picks one of his five interceptions of the year. (One of which he took 95 yards for a touchdown.) Al Travis catches the pass, runs over a few bodies and scores. (Now what could be more simple?)





Above: Brian Smith holds the ball while Dave Johnson kicks it through. Below: Scozz is the man on the sideline who does just about everything; he puts injured players back into condition, diagnosis plays, and contrary to common belief, he's the real boss.

Above: Ken Hall turns upfield. Below: The defense teaches Hill A lesson; "Don't come our way!"

Front Row: Bruce Chapman, Tony Rogers, Stan Larkins, Dave Schmitke, Scot Parker, Willie Drayton, Tommy Washington, Greg Smith, Paul Baryames, Second Row: Jodie Davis, Brad Crater, Ronnie Hodge, Don Siwek, Lawrence Terry, Al Travis, Al Mans, Ken Hall, John Metts. SOLDIERS

By James Taylor

It was just after sunrise and
Down by the sea-
Down on the sand flats where
Nothing will grow-
Come drumming and footsteps like
Out of a dream-
Where the golden green waters come in-
Thru the night-
Half of them wounded and barely alive-
Just nine out of twenty were
A-headed for home-
With eleven sad stories to tell-
